Joshua Autrey, Director of Bands: joshua_autrey@scps.k12.fl.us

April 8, 2024

Dear Parents,

The band is organizing an exciting getaway to **Islands of Adventure** on Saturday, May 18th, 2024. Students who have shown good musicianship, self-discipline, and responsibility this year are invited. Any student who has demonstrated poor judgment and has been issued a referral, in-school suspension, or out-of-school suspension by any teacher during the 4th nine weeks will not be allowed to attend. Also, students must have their activity fee paid and attend all required performances in order to be eligible for this trip (Includes Fall, Winter, & Spring concerts, plus performances such as MPA)

The discounted, group rate price per person for this trip is **\$100** (students) & **\$75** (parent chaperones). This price includes admission to the park and bus transportation. **If you have a free ticket or year-long pass, your cost for transportation will be \$30 (both students & chaperones).** Additional money will be needed for food and any miscellaneous items purchased. Credit Card/Online payment is available at our website, www.milweeband.weebly.com, click on STORE/DONATIONS. Payments may also be made by cash or check (made out to Milwee Spartan Band Boosters) and turned into the band room deposit dropbox. All payments are due by Wednesday, May 8th. We are purchasing tickets in advance, so **THERE WILL BE ABSOLUTELY NO REFUNDS**. *Because we have to reserve buses a month in advance, there is a maximum number of students who may attend.* Please understand that money and slips are collected on a “first come, first served” basis and once the buses are full, any students who turn in money afterwards will be put on a waiting list.

Any parent who is a registered Seminole County Dividend and wishes to chaperone please indicate it on the form below. The price of a chaperone ticket is \$75, which includes transportation. The students get to enjoy the park in groups of 6, so we will need a lot of chaperones!

Students are expected to behave appropriately and are required to wear their green Milwee band shirts. Students should arrive by 7:30 a.m. to meet in the assigned chaperone and to load the buses. We expect to arrive back on campus by 8pm. A more detailed itinerary will be available as we near the trip date.

I hope this will be an exciting and educational experience for all! Please contact me at joshua_autrey@scps.k12.fl.us with any questions.
